# INTRODUCTION

**Students organize two events during an academic year at Deenbandhu Chhotu Ram University of Science and Technology, Murthal.**

1. **RHYTHM:** Rhythm is a cultural festival with the intent of bringing together the creativity and talent of youth from different colleges and institutions. It provides an excellent platform for students to exhibit their creativity and enhances their leadership traits, mutual understanding, and cooperation. This two-day mega event hosts hundreds of participants from within and outside the University, as well as guests and judges.
2. **TECHNOVA:** Technova is a technical event comprising more than a hundred technical events, including online participation designed to test the innovative skills of students in cognitive and psychomotor domains. Additionally, various clubs, societies, and student chapters of professional bodies such as IEEE, NIRMAAN, IE, etc., conduct quizzes, debates on national and international issues related to education, social and environmental problems, and other intellectual activities. The Hobby Expo Club caters to music, painting, sketching, coin collection, pot making, etc., and includes fine art clubs. These clubs organize activities throughout the year, culminating in awards.
3. **SPORTS MEET:** The university has a robust sports program with a well-structured approach to fostering sports among its affiliated colleges, institutes, and University Teaching Departments. The creation of two zones for affiliating colleges/institutes and a separate zone for University Teaching Departments ensures participation at the interuniversity level. The process of conducting zonal sports followed by inter-zonal competitions allows participants to showcase their skills at different levels. The presence of a tennis academy with international standard courts not only provides a platform for tennis enthusiasts to hone their skills but also contributes to the overall development of the sport within the university.

# VICE CHANCELLOR MESSAGE

With great pleasure and pride I stand before you all as we gather for this extraordinary cultural event RHYTHM-2024 to celebrate the richness of diversity and the power of unity. Just like the vibrant colours of a masterpiece, each one of the participants contributes a unique shade to the canvas of our community. Today we have assembled to embrace the opportunity to share, learn and grow together. Let the creativity flourish, voices be heard, talent be explored and let this event be a success that fosters the understanding and build bridges between cultures.

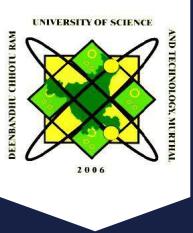

As we embark on this cultural journey, I encourage each one to be proud of our heritage, stories, histories, traditions and experiences that are the threads that weave tapestry of our shared human narrative. I want to extend my warm welcome to the faculty, staff, students and the esteemed guests who have worked too hard and have spent endless nights preparing their best. Lastly, I want to wish good luck to all the participants and hope for electrifying performances, enlightening conversations and enduring connections. After all, together we can create a symphony of cultures that resonates beyond these walls.

Best wishes!

Thank you

**PROF. SHREE PRAKASH SINGH**  
**VICE CHANCELLOR**

# DSW MESSAGE

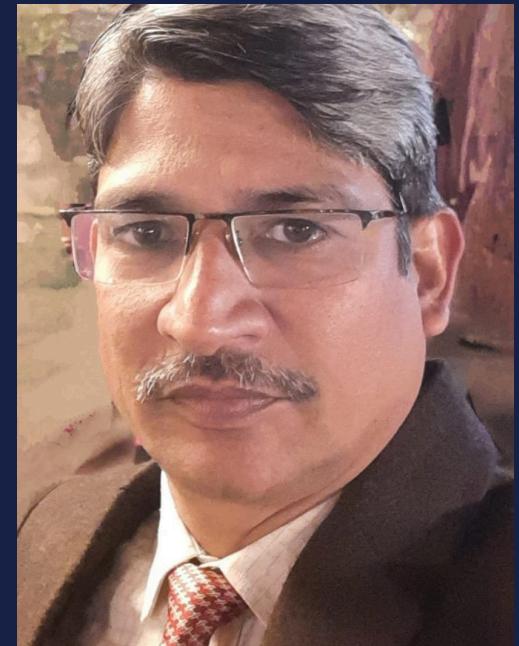

You are cordially invited to Rhythm-2024, the prestigious Annual Cultural Festival, taking place on November 20-22, 2024, at DCRUST Campus.

We are delighted to announce this spectacular celebration of art, culture, and competition, featuring exciting events and activities, show-stopping performances, challenging competitions to test your skills, and opportunities to win prestigious prizes.

Mingle with talented youth from across the region, create lasting memories, and be a part of this vibrant extravaganza!

Save the dates and prepare to shine at Rhythm-2024!

We look forward to seeing you there.
